PROSPERITY NOW SC RECARD

#### About the Prosperity Now Scorecard

The *Prosperity Now Scorecard* is a comprehensive resource featuring data on family financial health and policy recommendations to help put all U.S. households on a path to prosperity. The Scorecard equips advocates, policymakers and practitioners with national, state, county and city data to jump-start a conversation about solutions and policies that put households on stronger financial footing across five issue areas: Financial Assets & Income, Businesses & Jobs, Homeownership & Housing, Health Care and Education.

1

**GRADE D** 

### **OUTCOME MEASURES**

The *Scorecard* ranks 56 outcome measures from best to worst; #1 is the most desirable, #51 is the least desirable. Data for an additional 4 measures are published but not ranked due to insufficient data at the state level. Issue area ranks are calculated by averaging the ranks of measures within the issue area; overall ranks are calculated by averaging all of the outcome measures ranks. Grades are given on a curve: states ranked 1-10 get As, ranked 11-20 get Bs, ranked 21-36 get Cs, ranked 37-47 get Ds and those ranked 48-51 get Fs.

Financial Assets & Incor	ne	ISSUE AREA RANK: 31	GRADE C

For a complete description of Scorecard measures and sources, including how the grades and ratings were assigned, go to http://scorecard.prosperitynow.org.

\* Indicates that the margin of error is greater than 25% of the estimate, and as such, this estimate is too imprecise to rank. Caution should be used when using this data.

\*\* Indicates that estimate is unable to be ranked because the ranks are too closely clustered to say with confidence how the state compares to other states.

- Indicates that no data is available, or data is suppressed due to a margin of error that is greater than 50% of the estimate.

#### **ABOUT PROSPERITY NOW**

12.2%

Prosperity Now (formerly CFED) believes that everyone deserves a chance to prosper. Since 1979, we have helped make it possible for millions of people, especially people of color and those of limited incomes, to achieve financial security, stability and, ultimately, prosperity. We offer a unique combination of scalable practical solutions, in-depth research and proven policy solutions, all aimed at building wealth for those who need it most.
